Boss drumpads. Drp 1 2 3 (now with video)

QUOTE

by Fallen_lassen » 08 Jan 2015, 15:21

Yesterday is was experimenting with my koma kommander.

Infra red cv gate controller, when i thought About my boss drumpads. Which have a trigger input, so i connected the gate output to the trigger in and voilà. Airdrum.

Supercool effect. When ive got the time i.make a video with all three drumpads through Some effects For a super airdrumming spectacle. Stay tuned.

And more videos. Now with a electro harmonic clock works as sequencer

http://youtu.be/kNSnaecMil8

http://youtu.be/lKlp4rmSy5c

Enjoy
